

October–December 2009 *Army AL&T Magazine* Podcast

Welcome and thank you for choosing *Army AL&T Magazine* as your information source.

This edition highlights acquisition workforce career development and the various training, programs, and educational opportunities that the U.S. Army Acquisition Support Center (USAASC) provides to the workforce.

Our feature article is a career development overview from USAASC Director Craig A. Spisak in which he explains the roles of USAASC and the Assistant Secretary of the Army for Acquisition, Logistics, and Technology in ensuring the readiness and sustainment of a professional civilian and military workforce. Other feature articles highlight the Acquisition Career Development Model used to ensure the progression and education of the workforce, and career development of the Army Reserve and Army National Guard. The USAASC Acquisition Career Development Division Chief also provides an overview of how the division provides acquisition proponency to the military and civilian workforce.

Thank you for taking the time to read this issue dedicated to acquisition career development. We hope you enjoy this edition of *Army AL&T Magazine* and hope you visit us again next issue.
