**MEMORANDUM FOR Principal Military Deputy to the Assistant Secretary of the Army  
(Acquisition, Logistics and Technology)**

**SUBJECT: Delegation of Authority**

1. Pursuant to United States Code Title X, Chapter 87, Defense Acquisition Workforce, and my authority as the Army Acquisition Executive, I hereby appoint you as the Director of the Army Acquisition Corps and the Director of Acquisition Career Management. In this capacity, you are my sole representative for all acquisition workforce matters inherent in statute, directives, regulations, and policies. These include but are not limited to the items listed below:

a. Acquisition, Logistics and Technology (AL&T) workforce education, training, and career development;

b. Proponency for all Department of Defense Acquisition Career Fields that the Army supports;

c. Functional Area 51 commissioned officer proponency;

d. Military Occupational Specialty 51C noncommissioned officer proponency;

e. AL&T workforce credentialing and waivers;

f. Army Acquisition Central Select List management; and

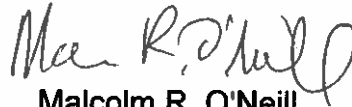

g. Military Acquisition Position List management

2. I expect you to carry out these duties in accordance with all applicable laws, directives, and regulations as well as develop appropriate supplemental guidance and subsequent policies on my behalf as the Component Acquisition Executive or as outlined in statute or by the Secretary of the Army. You may further delegate day-to-day execution/implementation as appropriate. This delegation must be in writing.

SFAE-CDD

SUBJECT: Delegation of Authority

3. This delegation excludes any authorities I am specifically prohibited from delegating and remains in effect until otherwise rescinded by me or my successor.

Malcolm R. O'Neill

Assistant Secretary of the Army  
(Acquisition, Logistics and Technology)
