MEDCOM

Contracting Success Stories

- WRAMC Amputee Center
 - Established by Grant awarded by USAMRAA
 - Treated 490 patients who lost upper and lower extremities. North Atlantic Regional Contracting Office
 - Contracted with 10% reduction in the cost of prosthetics and 70% reduction in the cost of terminal end devices.

Patient Progress

Chitosan Hemorrhage Control Dressing

Contract Number DAMD17-04-D-0012
with HemCon, Inc.,
Chitosan Hemorrhage Control
Dressing
Manufactured using a natural
biomaterial (chitosan, a component of
shellfish)
Stops severe arterial/venous bleeding

Once applied, the dressing tightly adheres to the injury site
forming a strong durable clot.

FDA approved for external use only.

Used in Operation Enduring Freedom and Iraqi Freedom.

MEDCOM

Contracting Success Stories

- Post Deployment Health Reassessment
 - Contracted for healthcare providers to treat 24,000 Soldiers with deployment related health concerns in record time
- Support to the Institute of Surgical Research Burn Unit
 - Contracted for immediate healthcare support for incoming burn patients

MRMC
