What is ASC's Mission?

People, Processes, Programs and Products

- Provide Budget, Manpower, Personnel, and Force Structure Support to PEOs, Acquisition Commands & ACA
- Plan, Develop, Execute, and Maintain Acquisition Career Management Programs and Policy.
- Provide our Soldiers with the Right Products at the Right Time, at the Right Place, at the Right Price.

The AAC Philosophy

“A Corps of Leaders willing to serve where needed and committed to providing Warfighter Systems Critical to Decisive Victory Now and in the Future through Development, Integration, Acquisition, Testing, Fielding and Sustainment.”
– One Integrated Force

What are Our Core Functions?

- Provide Resources, Personnel and Force Structure for AAC to execute missions
