5. MISSION: PEO Soldier's vision is to be the center of excellence for delivering Soldier capabilities to the Force to continuously dominate the battlefield across the full spectrum of war. The organization focus remains directly and exclusively on the Soldier, today, throughout the Army's transformation to the Future Force, and beyond, in order to; 1) Increase Soldiers Combat effectiveness; 2) Deliver products that save Soldier's lives, 3) Improve Soldier's quality of life.

6. CAPABILITIES:

a. Program Executive Office (PEO) Soldier was created by the Army with one primary purpose: To develop the best equipment and field it as quickly as possible so that our Soldiers remain second to none in missions that span the full spectrum of military operations. By viewing the Soldier as part of an integrated system, PEO Soldier ensures that the Soldier and everything he or she wears or carries works together as an integrated system. The result is an overall systematic design that benefits Soldiers by enhancing their ability to accomplish individual and collective tasks, improving quality of life, building confidence, and saving lives. In this respect, PEO Soldier is at the vanguard of Army transformation. Headquartered at Fort Belvoir, Virginia, PEO Soldier designs, develops, procures, fields, and sustains virtually everything the Soldier wears or carries. By employing innovative concepts and technologies, PEO Soldier has made great strides in quickly getting improved equipment into the hands of Soldiers when and where they need it.
