

USAASC RMOL Training Questions and New Enhancement Requests for FY08
Feedback to the Field

Budget Field Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
1	Request a report that shows Deviation when Total Obligations exceed plan. Capability already exists in the system	PEO CBD	Karan Williams	Chantilly, VA
2	JONO - Is there a way to split out for GCS and FCS? Data can be defined to split out. CACI staff will assist with this effort.	HQ ASC	Ann Bley	Chantilly, VA
3*	Can we do a Gap Analysis on what the PEOs are submitting by Excel to HQ ASC and what the PEOs are submitting using RM Online? We can utilize the analysis to train the PEOs on submission via RM Online. Enhancement - Samples to be provided to CACI by HQ ASC for analysis	HQ ASC	Matt Nguyen / Deborah McLaurin	Chantilly, VA
4	Schedule 8 - how is the Issue Number tied to Manpower S8? Co-ordination between Manpower and Budget must take place when entering in the system that dollars match the requested movement of positions. Some capability may exist that ties the two together. CACI still researching and will report to HQ ASC.	HQ ASC	Ann Bley	Chantilly, VA
5*	Add NOMENCLATURE is tied to PE and Ann would like to see it on the Preparation --> PBG screen Enhancement	HQ ASC	Ann Bley	Chantilly, VA
6	Request for increase in the number of Characters when creating "New Version" name for POP, UFR and Schedules? Not approved. There are not enough users requesting this capability.	HQ ASC	Elisse Staeuble	Chantilly, VA
7*	Schedule 8 - How to add Gain or Lost POC? Enhancement	HQ ASC	Jennifer Dunne	Chantilly, VA
8*	How can we add RDTE (RAP) to the PBG area in RMOOnline? - After receipt of report, meet with CACI to review format Enhancement - Add 2040 funding letter	HQ ASC	Deborah McLaurin	Chantilly, VA
9	Capability to Import Phased Obligation Plan, currently PEOs have it all in Excel spreadsheet. ASC would like to be able to import other APPN besides OMA (2020). Intent of system is to replace the use of spreadsheets. Data should be entered directly in the system.	HQ ASC	Ann Bley	Chantilly, VA
10	Exclude ASN (FCS) from PEO GCS per email Ann Bley sent Data can be selected separately, but can not be separated as an independent entity at this time due to the organization of the data from related systems, such as by ROC ID.	HQ ASC	Ann Bley	Chantilly, VA
11	Dynamic Report Builder --> add "Funds Received" column to selection (which is TRC 1C) Column is currently available in the system.	HQ ASC	Cherly Kimbrough	Chantilly, VA
12	Add Month End capability for FADs Not approved. Low priority. There are not enough users requesting this capability. Same output can be obtained with a few extra selections.	HQ ASC		Chantilly, VA
13	Add Print Icon for printing FADs Minor fix to be done by CACI staff	HQ ASC	Cherly Kimbrough	Chantilly, VA
14	**AVK is STANFINS only/SOMARDS generates "1002" reports Need clarification of question/issue.	HQ ASC	Deborah McLaurin	Chantilly, VA
15	RDTE/AMSCOs are rejected during the schedule 8 process - they're unable to accept at DA level			Huntsville, AL

Feedback to the Field

Budget Field Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
<i>We need more clarification on this issue.</i>				
16*	Breakout NULOs by ASN in the DFAS files from the query <i>Enhancement - requires working with DFAS</i>			Huntsville, AL
17	Allow PEOs to have Import Capability for Schedule 8, PEO can Import S8 from PMs to RM Online. <i>HQ ASC desires access to system be given to PMs for data entry directly into RM Online. Trying to get away from use of spreadsheets.</i>	PEO STRI	Rodney Joyner	Orlando, FL
18	Unfinanced Requirements: section --> Gray out input boxes if data is not necessary, this will aid user in knowing which field is required. <i>Not approved. Expensive change that will affect other Commands using RM Online.</i>	PEO STRI	Michele Gentile	Orlando, FL
19*	Unfinanced Requirements: --> Prompt user before exiting screen whether "User would like to save before exiting" <i>Enhancement - provide warning to save before leaving page.</i>	PEO STRI	Michele Gentile	Orlando, FL

Civilian Manpower Execution Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
20	Break out data by ASN for PEOs <i>Need clarification of question/issue.</i>			Ft. Monmouth, NJ

JRP Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
21	Add 1 st and 2 nd year canceling accounts <i>Minor fix to be done by CACI staff</i>	HQ ASC	Ann Bley	Chantilly, VA
22	JRP – Commands are charged for interest during the transition of WAWF – DFAS incurred late charges <i>Need clarification of question/issue.</i>		Deborah McLaurin	Ft. Monmouth, NJ
23	Add the HQDA goals for FY08 in the JRP –NULO Plan vs Actuals screen <i>Plan needs to be updated. CACI staff will assist.</i>			Huntsville, AL
24	What is TRC 1S and 1V? <i>TRC 1S = Undelivered Orders, 1V = Accounts Payable. Full list available by going to Dynamic Report Builder 218 Report Selection. Click on link labeled: "Click here for TRC's Description".</i>	HQ ASC	Dan Grant	Warren, MI

Manpower POM Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
25	Requested that data for PEOs GCS and FCS be separated. DA has not approved the creation of a separate ROC ID at this time which prohibits the higher level separation of GCS from FCS in RM Online at this time.	PEO GCS		Huntsville, AL
26*	Add a "Sample" Issue Sheet remark. Enhancement	PEO GCS	Karen Delange	Warren, MI
27	Add brief instruction to section where user can modify Issue Number and Remarks. Authorization --> PEO<command> Review/Publish/Submit --> click on Editing S8 --> click Retrieve --> Choose a S8 then click on Modify Issue/Remarks button --> Add brief instruction on this screen. Minor fix to be done by CACI staff	PEO GCS	Dan Grant	Warren, MI
28	Hide buttons "Published" and "Disapprove" for less confusion to user. PEOs do not publish to PMs and PEOs do not disapprove Schedule 8s. Not approved. Some PEO's need this function		CACI	Warren, MI
29	ASN 5E27 is invalid Has already been removed.			Huntsville, AL
30	Check business rules in the Manpower Execution Module - excludes numbers and EORs List located under User Manual Tab/Section C of Civilian Execution Module.			Huntsville, AL
31*	Add capability for HQ ASC to email users when HQ ASC published down MP PBG. Enhancement	PEO C3T	Sherry Parke	Ft. Monmouth, NJ
32*	Add spell/grammar check for Manpower Justification sheet. Enhancement - CACI to get price quote of Cold Fusion Spell Checker add-on module.—Per USAASC: enhancement will not be done.	PEO AMMO	Ivanoria Elliot	Ft. Monmouth, NJ

Personnel Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
33	Request to also be able to view Military Personnel, currently only able to view Civilians. Capability exists and system populated. HQ MILPER decision not to release to field.	PEO CBD	Dion Woodward	Chantilly, VA

RM Online Home Page				
Nbr	Requirements / Enhancements	Command	Request By:	Location
34*	Add email capability to send mass email to all users of New Executive Guidance, at this time user can only view in RM Online. Enhancement			Orlando, FL

TDA Module				
Nbr	Requirements / Enhancements	Command	Request By:	Location
35	Add more fields to TDA. Specifically add REIMC and REIMS codes. Not approved. Not required by DA for TDA. Included in	PEO STRI	Shelly Moore	Orlando, FL

USAASC RMOL Training Questions and New Enhancement Requests for FY08
 Feedback to the Field

Manpower PBG.				
36	UIC W27P08 is an old UIC for PEO CSCSS, can it be remove from RM Online?	PEO GCS	Karen Delange	Warren, MI
Should not be removed. Needed for audit trail purposes				
37*	Section Recaps & Detail Reports --> when choosing Report Type and selecting Personnel --> for Report Vers select Recaps by MDEP--> click on View Report--> The request to display AMSCO on top than all associated MDEPs below the AMSCO. Currently it's the opposite.	PEO GCS	Dan Grant and Karen Delange	Warren, MI
Enhancement				

* New Enhancements will be evaluated by CACI for level of effort and Cost for consideration, approval by HQ ASC.
