MEMORANDUM FOR NATIONAL SECURITY PERSONNEL SYSTEM (NSPS)
COMPONENT PROGRAM MANAGERS

SUBJECT: Filling NSPS Vacancies During the NSPS Transition Period

The National Defense Authorization Act for Fiscal Year 2010 (NDAA 2010) includes a provision to repeal the authority for the National Security Personnel System (NSPS) and requires the transition of employees out of NSPS, with no loss of or decrease in pay, by not later than January 1, 2012. NDAA 2010 also requires the Department of Defense (DoD), to the extent practicable, to begin appointing individuals to non-NSPS statutory pay systems when vacant NSPS positions are filled by new appointment.

DoD leadership has directed the Components to proceed expeditiously with the transition from NSPS. As soon as possible, NSPS organizations should begin appointing individuals to non-NSPS statutory pay systems in accordance with the attached guidance. In addition to this statutory requirement, the Department is implementing additional measures to reduce the numbers of employees in NSPS during the transition period. The attached operating guidance provides specific instructions concerning transition appointments and placement of DoD employees during the transition period.

As additional guidance is developed regarding the conversion of NSPS employees, it will be provided to Component Program Managers for appropriate distribution.

A competitive recruitment action for which an announcement is posted before March 1, 2010 or a recruitment action which is in a subsequent phase of the recruitment process (e.g., applicants being reviewed, certificate/list of eligibles sent to selecting official, tentative/firm offer made, etc.) as of March 1, 2010.
 - b. An action for which an open continuous announcement is posted before March 1, 2010, and the request for personnel action (RPA) was received by the HRO before March 1, 2010.
 - c. A recruitment action for which a noncompetitive selection is made for an NSPS position before March 1, 2010 (e.g., selection for VRA appointment, Schedule A appointment of persons with a disability, etc.).
 - d. A noncompetitive reassignment RPA received by March 1, 2010 in the HRO.
 - e. A recruitment action for which Priority Placement Plan (PPP) match(es) is/are identified before March 1, 2010.
 - f. A noncompetitive conversion of an NSPS employee on a temporary or term appointment in the competitive service, consistent with 5 CFR 9901.511(d)(2), to a permanent appointment in the competitive service when the request to convert the employee is received by the HRO before March 1, 2010.
 - g. An extension of an NSPS employee's temporary or term appointment, consistent with 5 CFR 9901.511(d), when the request to extend the appointment is received by the HRO before March 1, 2010.

**GUIDANCE GOVERNING NSPS TRANSITION PERIOD
PRIOR TO TERMINATION**

C. Operating Guidance:

1. Non-DoD individuals/employees – permanent appointments prior to March 1, 2010. Effective on the date of this guidance but no later than February 28, 2010, non-DoD individuals *appointed* to a position in an organization covered by NSPS will be placed under the General Schedule (GS) or applicable non-NSPS statutory pay system *when a classified non-NSPS position description is available* and a performance management system established under 5 USC chapter 43 exists.
2. Non-DoD individuals/employees – permanent appointments as of March 1, 2010 and beyond. All non-DoD individuals/employees *appointed* to a position in an organization covered by NSPS must be placed under GS or applicable non-NSPS statutory pay system.
3. Temporary and term appointments. Effective on the date of this guidance, temporary appointments in the competitive and excepted service and term appointments in the competitive service made to positions which will later convert to GS will be limited to not-to-exceed dates consistent with OPM regulations for GS. Further, advertisements for temporary and term appointments will no longer reflect the potential for noncompetitive conversion to a permanent appointment.
4. Internal placement.
 - a. DoD Non-NSPS employees. No later than March 1, 2010, non-NSPS employees selected for a position in an organization covered by NSPS must be placed in GS or other applicable non-NSPS statutory pay system.
 - b. NSPS Employees.
 1. Competitive placement. No later than March 1, 2010, NSPS employees who are selected for an NSPS covered position via a competitive process must be placed in GS or other applicable non-NSPS statutory pay system.
 2. Noncompetitive placement. During the transition period, employees may be placed noncompetitively in an NSPS covered position (e.g., career ladder promotion, reassignment, temporary promotion NTE 180 days, etc.).
 3. Management-directed actions. Management may not direct assignment of an employee to a non-NSPS statutory pay system when such assignment will result in a loss of pay except in the case of: (i) reduction in force (RIF) action; (ii) termination of a temporary personnel action; (iii) change of position action resulting from failure to successfully complete a supervisory probationary period; or (iv) a reduction in pay that is for cause (i.e., disciplinary or performance-based action).

5. Vacancy announcements posted before March 1, 2010. NSPS vacancy announcements posted before March 1, 2010, must contain the following statement to alert applicants that the position(s) will be converted to another personnel system:

The position(s) covered by this vacancy announcement is/are scheduled to transition from the National Security Personnel System (NSPS) to the General Schedule (GS) or an applicable personnel system by January 1, 2012.

6. Open continuous announcements. As soon as possible, but no later than March 1, 2010, open continuous announcements for positions in an organization covered by NSPS must be revised to reflect an applicable non-NSPS statutory pay system.
7. Job offers. Job offers for positions covered by NSPS will clearly indicate under which statutory pay system the selectee will be placed. If the selectee is to be placed under the NSPS statutory pay system, the selectee will be notified that the position is scheduled for transition from NSPS to a non-NSPS statutory pay system by January 1, 2012.
8. Components may issue Component-specific guidance consistent with this guidance.

D. Exceptions.

1. The following categories of positions and/or employees are excluded from the requirements outlined in this guidance:
