## **USAASC to Provide Acquisition Career Counseling at AUSA Annual Meeting and Exposition**

**FORT BELVOIR, VA**—Army Acquisition Workforce career counseling sessions will be available during this year's AUSA Annual Meeting and Exposition. The sessions will be available in U.S. Army Acquisition Support Center (USAASC) booth, part of the Assistant Secretary of the Army for Acquisition, Logistics, and Technology (ASA(ALT)) Exhibit. The AUSA Annual Meeting and Exposition will be held October 10-12 at the Walter E. Washington Convention Center in Washington, DC. The ASA(ALT) Exhibit number is 6328, and is located on Level 2 of the convention hall.

Career counseling is available to military and civilian members of the Acquisition Workforce or those interested in joining the Workforce. Among those offering career counseling advice is LTC Charles Stein, Product Manager, Ground Combat Tactical Trainers (PM GCTT). Stein is nominated for an Army Acquisition Corps Award as Product Manager of the Year.

In addition to the career counseling sessions, 12 Program Executive Offices (PEOs), the U.S. Army Chemical Materials Agency, and the U.S. Army Medical Research and Materiel Command will be represented at the ASA(ALT) booth, displaying the latest technologies supporting the American warfighter. The PEOs that will be in attendance are:

- |   |   |
|---|---|
| PEO Ammunition                                    | PEO Intelligence, Electronic Warfare, and Sensors |
| PEO Aviation                                      | PEO Missiles and Space                            |
| PEO Combat Support and Combat Service Support     | PEO Simulation, Training, and Instrumentation     |
| PEO Command, Control, and Communications-Tactical | PEO Soldier                                       |
| PEO Enterprise Information Systems                | Joint PEO Chemical and Biological Defense         |
| PEO Ground Combat Systems                         | Joint PEO Joint Tactical Radio System             |

The AUSA Annual Meeting and Exposition is a professional development forum that includes seminars and special presentations on the Army's transformation to the Future Force, LandWarNet, expeditionary logistics, actionable intelligence, and other issues affecting today's Army. For more information or directions to the convention center, visit AUSA's website at <http://www.ausa.org/>.
