

COMPETITIVE DEVELOPMENT GROUP/ARMY ACQUISITION FELLOWSHIP (CDG/AAF) PROGRAM –  
APPLICATION FOR YEAR GROUP 2009

**Administrative Organizational Return Rights  
and Command Endorsement Agreement**

This document is an agreement between the                     *(insert organization)*                     and                     *(insert applicant's name)*                    . It becomes effective when                     *(applicant's name)*                     leaves his/her position as                     *(insert current position title, series & grade)*                     in                     *(insert organization)*                     to accept a three-year, or period up to, but not exceeding, 36-month, Competitive Development Group/Army Acquisition Fellowship (CDG/AAF) Program developmental assignment within the U.S. Army Acquisition Support Center (USAASC), YA-0301-02.

Pursuant to the Deputy Secretary of Defense memorandum dated 22 June 2004, I understand I have been granted administrative return rights for an initial period not to exceed 36 months after my acceptance of an appointment within the USAASC as part of the CDG/AAF Program developmental assignment as an Acquisition Management Specialist, with provision for an extension when appropriate. If an extension is not approved, and I have not accepted employment in another position, I may be directed return to my former organization. Should my former position be unavailable, the organization will determine a position of like seniority, status and pay into which I may return without prejudice. The granting of this administrative organizational return right is not subject to grievance. I understand action may be initiated to remove me from the Army Acquisition Corps and the Federal service for failure to meet a condition of employment, as specified in the executed CDG/AAF Program Mobility Agreement, if I fail to apply for the exercise of return rights within 30 days before the date of termination of my Program tenure with the USAASC. This agreement becomes void if, before completion of the CDG/AAF Program, I transfer to another Federal activity, or I am voluntarily or involuntarily separated from Federal service. It is also void should I be separated from the USAASC for reasons such as misconduct, neglect of duty or malfeasance.

By signing this agreement, I certify that I fully understand the conditions and agree to the requirement contained herein.
