

The CP-14 ACTEDS Competitive Professional Development (CPD) Program application process is automated.

The Army Acquisition Professional Development System (AAPDS) will be accessed through your CAMP/CAPPMIS login at: <https://rda.altess.army.mil/camp>. The user name and password will be the same used to access your Individual Development Plan (IDP) and Acquisition Career Record Brief (ACRB). Applicants must use the IDP to annotate their training courses and programs.

AAPDS is connected to the IDP and will import supervisory approved training into the application system. Once in AAPDS, applicants may click on the event for which they want to apply and proceed. AAPDS will be used for all FY08 training requirements.

The ACTEDS CPD CP-14 Program information may be viewed at: <http://cpol.army.mil/library/train/catalog/ch03cp14.html>.

Selection for CPD funded programs is competitive. Once the training opportunity has been approved, the applicant will be sent an e-mail message and asked to complete a DD Form 1556 and DD Form 1610 in the Resource Allocation and Selection System (RASS), <https://acpwap.army.mil/rass/>, if required. Applicants cannot begin the training course or program until they have received approved and funded requests from the Army G-1 budget office. Funding for all CPD Programs is subject to the availability of funding from G-1.
