

CONCLUSION

We hope you have found the information you need in this handbook to assist your organization in facilitating ASC's initiatives for the AL&T Workforce. Moreover, we hope this document becomes a well-read resource on which you rely for your day-to-day activities as we prepare for the future. Please note that because this is an online publication, it is updated whenever there are changes to be made. We welcome your suggestions to improve this handbook.

Please contact diane.nyren@us.army.mil with any additional information/suggestions or changes.

Thanks for your continued support of the U.S. Army, AAC, AL&T Workforce and ASC goals and objectives. Your efforts ensure that the AAC and AL&T Workforce are relevant and ready to support America's Army, now and in the future.
