

**THIS INFORMATION APPLIES ONLY TO TITLE 32 NATIONAL GUARD SOLDIERS**

Title 32 NG Soldiers will no longer be centrally funded by the National Guard Bureau under the Military Training Service and Support (MTSS) contract meaning each respective state must now fund the TDY for the Soldier(s) attending the course.

Title 32 Soldiers are still required to use the MTSS contracted facility for lodging, meals and transportation (Ref ALARACT 268/2008 dated 1 December 2008).

Title 32 Soldier(s) must provide a credit card when checking into MTSS contracted lodging. Room and meals will be charged to the credit card.

Upon return to home station, Title 32 Soldier(s) must file a TDY voucher for reimbursement through their respective state.
