

## REGIONALIZATION PREFERENCES

*Make your selection(s) below by clicking on the box, then print and sign the form.  
Original or Electronic Signature Required*

I understand that I may be slated to a position at any location and that there is no guarantee that any position(s) are/will be available within any region/location during the timeframe covered by this announcement. I further understand that slating of the best qualified selectee will proceed in accordance with established procedures; however, I will have the option to decline, without prejudice, a position that falls outside my specified region(s)/location(s). I further understand that declination of a position outside my preferred region/location will remove me from the standing list, and that I must reapply for consideration by future Project/Product Boards. Declination of a position included in my region(s)/location(s) of preference will be with prejudice, and I will be denied further opportunities to apply for Project/Product Manager positions and may be subject to other actions in accordance with Army Acquisition Corps Policy.

**INSTRUCTIONS:** You may select either a region(s) or (a) specific location(s) within a region. If you have no regional preference you must indicate that by selecting the "I have no regional preferences." block. You may also select entire states. Submission of this form is mandatory at the time of application. Not all states have opportunities available.
