#### **4. Failures and No-Shows**

Reference memorandum, HQ, USAASC, SFAE-CM, 30 March 2012, subject: [Consequences for Academic Failures and No-Shows in Defense Acquisition University \(DAU\) Resident Courses.](#)

1) Acquisition workforce members who academically fail a resident DAU course required for their Acquisition certification will not be eligible to participate in Army DACM offered training program.

These acquisition members will remain ineligible for these programs until they successfully meet their certification requirements. Additionally, the acquisition workforce members who academically fail a resident DAU course required for their certification will not be eligible to participate in any incentive programs.

2) The program restrictions listed in the above paragraph will also apply to any acquisition workforce members who are enrolled in any resident DAU course (regardless if the course is required for certification or not) and fail to show up for the class. The Army DACM Office and the DAU consider these students "no-shows". This status can negatively impact the Army's future seat allocations for these courses. "No-show" acquisition workforce members will remain ineligible to apply for Army DACM sponsored training and incentive programs for a period of one year starting on the last day of the scheduled resident course for which they failed to appear.

#### **Additional ALCP Program Information and Requirements**

- Continuous Learning Points (CLPs): students will receive 20 CLPs upon completion of either Level I or II and 16 CLPs for completion of Level B.
- Students must complete their assigned pre-course survey materials by their deadline; students not completing the assessments by the deadline cannot attend the class
- Tuition, course materials, travel and per diem will be funded by the Army DACM Office
- Individuals will be notified by email of their selection for participation in the Program from the PM
