# Senior Rater Potential Evaluation

- **WHO:** All GS12 and above Army Acquisition Workforce (AAW) civilians
- **WHAT:** The SRPE is a tool to assess the leadership potential of AAW civilian employees in designated grades/broadbands to perform in positions of increased responsibility and for selection into senior leadership positions and programs. It is not a performance evaluation.
- **WHEN:** Phased Implementation commenced **01 OCT 2015**
- **WHERE:** <https://rda.altess.army.mil/camp>
- **WHY:** The SRPE is also a Talent Management tool enabling Army Acquisition Workforce (AAW) Senior Raters (SRs) to identify the employees' leadership potential, helping employees identify their strengths and under developed areas, and offering suggested positions to enhance their professional development.

# Hot Topics - FAQs

- **Incomplete Phase I SRPEs**

- ❖ No action is necessary or required. Incomplete SRPEs from prior cycles will simply remain in the SRPE system, for historical purposes. This will not impede your completion of current SRPE cycle requirements.

- **Changing the Senior Rater**

- ❖ The System has been established where the SR will automatically be populated as the Rater's Rater. Same coincides with the Performance Appraisal Systems
  - ❖ If extenuating circumstances exist (i.e. 90/120 rule), the Rater and/or Senior Rater may identify an alternate SR. This will not effect the IDP Rating Chain.

- **SRPE Compliance Reports**

- ❖ As of 01OCT2016, OAPs have the ability to pull Compliance Reports
  - ❖ Phase II Command/PEO-Level Compliance will be reported to the Army DACM, along with Certification, CLP, etc.

- **SRPE Push Received, but not eligible.**

- ❖ The SRPE system does not differentiate between start dates. It simply identifies your current AAW status and GS Equivalency. To be rated, the employee must have been in the AAW position a minimum of 120 days and under the Rater and Senior Rater for a minimum of 90 days. If you believe that you do not meet the 90/120 rule and your ACRB verifies same, please ensure your Rater notifies your Organizational Acquisition Point of Contact who will keep an internal Command/PEO response and coordinate same with the Army DACM Office. This action will ensure the Army DACM's compliance reports are updated and reflect the corresponding status by AAW name.

These Topics Will Transition Into FAQs

## SRPE: Role of the OAP

- Provide training to AAW members and Rating Officials
- Provide Career Management and System Guidance to SRPE System Users – reducing WMIs
- Provide Compliancy Reports to Chain of Command

## SRPE: Role of the Rater

- Ensure rating schemes are published and understood
- Advocate AAW member to the SR
- Recommend future Operational and Broadening Assignments on SRPE form
- Focus on narrative comments
- Anticipate and project future SRPE evaluations (i.e. Annual, Early)
- Keep SR officials informed of upcoming evaluations

# SRPE: Role of the Senior Rater

- **The SR is the “owner” of the Evaluation and is responsible for timely completion**
- **Mentor/Develop your subordinates**
  - ❖ Support Form – tool available to aid in defining/guiding goals and objectives throughout rating period; provides feedback to rated individual – not a lot of space but should be catalyst of conversation
- **Understand how SRPE Systems works**
  - ❖ Fairly and accurately assess the potential of subordinates
  - ❖ Senior Rater Narrative is key: Exclusive vs. Strong Narrative
  - ❖ Quantify potential...identify your best
  - ❖ Be Careful... What you don't say is just as damaging as what you do say
- **Understand how to manage your SR profile – develop your rating philosophy**
- **Anticipate and project “next” Evaluation**
  - ❖ Annual SRPE Cycle
  - ❖ When the Rating Chain will change prior to the annual cycle

# SRPE LOGIC

- DEVELOPING A SRPE PHILOSOPHY
- MANAGING YOUR SENIOR RATER PROFILE
- EVALUATION NARRATIVE
- COMMENTS GUIDE

# Developing a SRPE Philosophy

- Mission: Identify your best
- Counseling – ensure counseling is accomplished. Those that can improve, will.
- Decide how to assess (particularly) Exceptional Potential/High Potential
- Write well – quantify and qualify in narrative; correspond comments with box check. Use the narrative to paint the picture
- Plan ahead, think series of reports (number of times you will rate an AAW member)

# SRPE: COMMENTS GUIDE

It is recommended that raters and SRs address the following elements in the comments section of the SRPE. While failure to comment on one or more of the elements is not derogatory, it may convey the message that the employee is weak in this element. Historically, employees who consistently received constructive comments on all elements do better on boards.

- **Enumeration**: Standing among other employees in the same grade/broadband population (x number out of 100 other GS x rated by this SR)
- **Potential or Promotion Potential**: Potential to serve in a position of increased responsibility (ready now; ready in the future with development)
- **Schooling/Leadership Developmental Opportunities**: Potential for selection to competitive premier schools and other acquisition leadership opportunities
- **Leadership Positions**: Potential to serve in a significant leadership position within the Army Acquisition Workforce (i.e. Key Leadership Positions (KLPs), Centralized Selection List (CSL) Project/Product Manager (PM)/Acquisition Director and/or Project/Product Director (PD) positions, etc.)
