---

The Army DACM Office is pleased to announce the offering of the Naval Postgraduate School Systems and Program Management Non-Resident Master's Degree Program (NPS-MSSPM) education opportunity. The Army DACM Office is the sponsor of the NPS-MSSPM program and will fund the cost of books and tuition. Graduation and travel expenses are not included in the funding.

The NPS-MSSPM is a part-time degree program conducted by distant learning. Students take two distance learning courses per quarter for eight consecutive quarters. All classes use an internet tool called, "Collaborate." Collaborate uses Voice over Internet Protocol (VoIP) technology to send both video and audio over the Internet to any computer logged into the course site. The NPS-MSSPM is delivered exclusively over the Internet using two, three-hour sessions a week (Tuesday and Thursday) from 0800-1100 (Pacific Time). Students will need Internet access, a personal computer (PC) microphone, and a PC camera (optional) to use Collaborate. There is no special software required for Collaborate.

**Program Information:**

The NPS-MSSPM 2-year program is designed for Department of Defense (DoD) and other federal agencies to obtain an acquisition defense-focused advanced degree in a distance learning format.

The NPS-MSSPM is an interdisciplinary program combining systems engineering with program management knowledge and skills. The program is intended to broaden the technical capabilities of the acquisition workforce who may have non-technical backgrounds so they are able to successfully manage and lead programs/projects in support of the Defense Acquisition System. Students in this program learn the systems engineering process from establishing system requirements through test and evaluation. Simultaneously, students learn how to manage, schedule, and budget programs as well as work with DoD suppliers through contracts to meet program obligations.

**Educational Credit Information:**

The Systems and Program Management Non-Resident Master's Degree consists of a minimum of 48 academic quarter credits. All coursework is offered by the Naval Postgraduate School (NPS). The typical course of study reflects a sequence of two courses per quarter to meet Army acquisition workforce needs, degree requirements and DAU equivalencies for DAWIA in Program Management (PM), Contract Management (CON), Engineering (ENG), Test & Evaluation (TST), Production, Quality & Manufacturing (PQM), Life Cycle Logistics (LOG) and Information Resource Management (IRM). Students who successfully complete the NPS-MSSPM program earn a Master of Science in Systems Engineering Management (MSSEM).

## **How to complete the Army DACM Office NPS-MSSPM Application – Part 2:**

- You can begin part 2 of the application process by logging into CAPP MIS at <https://rda.altess.army.mil/camp/>. Click the AAPDS tab. Click “apply” next to the “NPS-MSSPM (722-211G) Education Opportunity” to access the online Army DACM Office NPS-MSSPM application.
- For helpful hints on preparing your application, see [Application Best Practices](#).
- **NPS-MSSPM Applicant Data:**
  - ✓ Select “Masters” for the degree.
  - ✓ Select “Naval Post Graduate School” for the school.
  - ✓ Select “Systems and Program Management” for the major.
  - ✓ A valid work number and email address are required on your application.
- **Verifications:** Check the small boxes next to “Applicant’s Email Address”, “Supervisor Information”, and ACRB in the application to certify your email address, supervisor’s information and ACRB are correct. If these boxes are not checked, you will receive an error message when you attempt to submit your application.
- **Acquisition Career Record Brief (ACRB):** Within CAPP MIS, the latest version of the ACRB will automatically be uploaded into AAPDS online application. Ensure your ACRB is updated and correct prior to submitting your application. Applicants may update and correct specific fields of their ACRB using the edit functions within CAPP MIS. For the areas on the ACRB that cannot be changed by the applicant, please request assistance using our Army DACM Office online [help request](#) link located in CAPP MIS. Applicants will want to pay particular attention to the training, education, and assignment history sections of the ACRB, ensuring that the information is accurate. The training section should only reflect top level relevant training completed; recommend not including any DAU continuous learning modules or annual Army required training.
- **Senior Rater Potential Evaluation (SRPE).** The SRPE is a critical piece of the application. In accordance with Director, Acquisition Career Management (DACM) SRPE Policy and SRPE Guidance, dated 10 July 2015, the applicant’s SRPE must be completed by both the Rater and Senior Rater (SR). The SR must be a supervisor and senior in grade/organizational position to the rated employee.
  - ✓ The SRPE must have an ending date (the “thru” date) within one year of the closing date of the announcement. The SRPE must be completed and generated using CAPP MIS. Of particular note, the SR should not use bullet comments; rather, narrative comments to support the overall rating are highly suggested. Senior Raters should view a SRPE as the equivalent to a

“complete the record OER”, and should provide supporting comments accordingly.

- ✓ For additional information on the completion of the SRPE, Senior Raters should refer to the USAASC policy web page under the SRPE section. The link to the new SRPE form (AAC Form 1) and instructions are also located on the USAASC policy web page under the SRPE section. Applicants should print and retain a signed copy of the SRPE for their records.
- ✓ Instructions/tutorials are available in CAPP MIS to assist the rater and Senior Rater in completing the SRPE. The SRPE form must be completed in CAPP MIS by your supervisor and senior rater and will automatically uploaded into your online application. The SRPE must be completed/finalized in CAPP MIS no later than the closing date posted in this announcement. Applicants should print and retain a signed copy of the SRPE for their records.
- ✓ **Failure to have a completed/finalized SRPE in CAPP MIS prior to the announcement closing date will result in the applicant being declared ineligible. The application will be denied and will not go forward to the Board for evaluation.**
