Each command/organization will be provided quotas to ALCP offerings based on command/organization size. The allocation for each course offering and nomination template is provided within the attached Excel worksheet. There are four tabs labeled at the bottom of the Excel worksheet for each course offering for entry of your primary nominations. Also, there is one additional tab labeled ALCP FY21 1st QTR Alternates, for entry of alternate selectees in the order of contact, in case of primary nomination cancellations.

Once confirmed by the Army DACM Office, candidates will be registered for the course automatically. Once registered, selection/welcome email will be provided to each student by the ALCP PM. Pre-course assessments will be provided by the course vendor and need to be completed on time. It is critical that nominated students lock in
their plans to attend and perform their pre-course work, timely, when emails are provided by the ALCP PM and course vendor. If selected individuals have registration questions, they may contact Ms. Veronica Daniels, ALCP PM, veronica.daniels3.civ@mail.mil. Any cancellations after 20 business days before the course start date will result in the student/command being required to reimburse the Army DACM Office for course materials and tuition costs. All cancellations must be reviewed/approved by the first General Officer (GO) or Senior Service Executive (SES) and ALCP POC. Please see Section 3 for more details on all ALCP course withdrawals/substitutions/changes.

*PLEASE NOTE THAT UNUSED COMMAND/ORGANIZATION QUOTAS WILL BE RELEASED TO ELIGIBLE WAIT LISTED NOMINEES ON July 23, 2020.*

3. **Course Cancellation and No-Shows**

All cancellations must be reviewed/approved by the student’s first General Officer (GO) or Senior Executive Service (SES) Member in the chain of command. The student then will need to forward the signed memorandum to the designated command Organization Acquisition POCs (OAPs). The OAPs will be responsible to inform the ALCP PM on the change along with signed memorandum and reimbursement fees.

- If the cancellation were to occur prior to the cancellation deadline listed on the announcement, then the students need to inform the OAPs who will communicate the change to the Army DACM Office ALCP PM and the Army DACM Office ALCP PM will activate other students on the alternate list. If no students remain on the alternate list, the OAP must provide an alternate nominee for the vacant seat at the time of the cancellation from the primary student selected.

- Cancellations after 20 business days from the program start date:
  - If it’s due to mission requirement, with the cancellation approval memorandum, the command will need to find an appropriate alternate who meets the course qualifications to fill the seat or the command will be required to reimburse the Army DACM Office for course materials and tuition costs (Approximately $1,000 per student).
  - If there is a Medical emergency or the participant has to take Emergency leave, then there will be no penalty with a Doctor’s note.
  - If it’s a Voluntary drop/withdraw, with the cancellation approval memorandum, the individual will need to work with the command to find an alternate to fill in the seat if it is enough time, approximately two weeks prior to the course start date for the alternate to be notified by the Army DACM Office ALCP PM and the course vendor to provide the pre-course
assessment or the individual will be required to reimburse the Army DACM Office for course materials and tuition costs (Approximately $1,000 per student).

- Cancellations within 7 business days of the program start date:
  - If it’s due to mission requirement, with the cancellation approval memorandum, the command will be required to reimburse the Army DACM Office for course materials and tuition costs (Approximately $1,000 per student).

  - If it’s a Voluntary drop/withdraw, with the cancellation approval memorandum, the individual will be required to reimburse the Army DACM Office for course materials and tuition costs (Approximately $1,000 per student).
