For the areas in the ACRB that cannot be changed by the Applicant, please request assistance using our Army DACM Office online Help Desk request at the following link: <https://apps.asc.army.mil/camp>. Click on the CAMP tab, look mid-way down the right side of the following page, and click on Ask an ACM.

NOTE: Applicants should pay particular attention to the training, education, and assignment history sections of the ACRB, ensuring that the information is accurate. The training section should only reflect top level relevant training completed; recommend not including any Defense Acquisition University (DAU) continuous learning modules or annual Army required training.

Resume: The resume is crucial to portraying the applicant's image as a potential senior leader in the Army Acquisition Corps. Applicants should expound on and highlight their accomplishments in leading and managing human and fiscal resources, materiel acquisition and project milestones with a *focus on cost, schedule, and performance*. This is the applicant's opportunity to highlight educational achievements, work experiences, skills, and accomplishments, which are key indicators to the preparation for and success as an acquisition professional.

NOTE: Emphasize any services performed OCONUS, in Joint Positions and/or while deployed. If you have previously served in a CSL Product or Project Management job, make sure you note that on your resume AND your ACRB. Military (non-Army) Evaluations: Evaluations must be complete IAW the appropriate Service regulation.

NOTE: If you are unable to provide complete evaluations and/or there are problems with evaluations submitted, you must provide a memo describing the problem. The information provided will be annotated in your board file. It is also recommended that you write a letter to the President of the Board to explain the problem and upload that signed letter within the Evaluation section of the application.

Senior Rater Potential Evaluation (SRPE): A minimum of one SRPE is required with your application. The most recent SRPE must have an end date no later than one year of the closing date of the announcement. With the introduction of annual SRPEs for the Army Acquisition Workforce (AAW) GS-14 or broadband equivalents in FY15, most will have annual SRPEs to meet this requirement and will also be seen by the board. However, those applicants that did not fall within this requirement, or do not have a SRPE, must initiate a SRPE to meet the board requirements.

The SRPE must be completed and generated using CAMP/CAPPMIS. Instructions are available in the SRPE module to assist the Senior Rater in completing the SRPE. The Senior Rater should not use bullet comments, but narrative comments to support the overall rating.

NOTE: An annual FY20 SRPE will not be ready at the completion of this announcement. A FY19 annual SRPE with a thru date of 30 September 2019 meets the requirement for this application.

In accordance with Director, Acquisition Career Management (DACM) SRPE Policy and SRPE Guidance, dated 10 July 2015 [DACM SRPE](#) the applicant's Senior Rater (SR) is the rater of the employee's rater. The SR must be a supervisor and senior in grade/organizational position to the rated employee. For additional information on the completion of the SRPE, Senior Raters should refer to the [Army DACM Office SRPE Resources web page](#) at <https://apps.asc.army.mil/camp/apps/cappmis/modules/srpe/index.cfm?> Applicants should print and retain a signed copy of the SRPE for their records.

NOTE: SRPEs must be finalized in the CAMP/CAPPMIS before the closing date of the announcement.

Regional Preference and Position 1-N Form: Prior to the convening of the Review Board, all applicants will receive a copy of the Regional Preference and Position 1-N Form. Submission is mandatory but will not be a part of this initial application package. All applicants are required to fill out this form as part of the application process; however this form will not be viewed by the selection board. The form is intended for consideration during the follow on slating process of selectees. Upon receipt of the list, you will indicate your position preference from 1-n, by number: number 1 (one) being the position you most desire. Rank all positions according to the level of desire for that position. If you rank one position in a particular region, you must rank all positions within that region.

NOTE: Civilians will no longer have a Regional Preference if they have already served once as a Project Manager

while as a civilian. Those individuals will still be required to submit a 1-N form; however, each position must be listed with a preference. If selected, the slating process will still try to accommodate civilians regionally. Any declination by a civilian in this circumstance would be WITH PREJUDICE and said individual would be ineligible to compete again at this level.

IAW current policy, your preference for a certain region does NOT guarantee slating to the region(s) for which you are willing to serve. You may be slated to a position at any location. There is no guarantee that any position will be available within any region/location during the timeframe covered by this announcement. List may subsequently contain more or less positions. Slating of the best qualified selectee will proceed in accordance with established procedures; however, you will have the option to decline, without prejudice, a position that falls outside your specified region(s)/location(s) except for those who have previously served as a civilian. Declination of a position outside your preferred region/location or locality will remove you from the standing list, and you will have to reapply for consideration through future Project Manager/Acquisition Director, Key Billet Position Boards. Declination of a position included in your region(s)/location(s) of preference will be with prejudice, and you will be denied further opportunities to apply for Project Manager/Acquisition Director, Key Billet Positions at this grade and may be subject to other actions in accordance with Army Acquisition Policy.

List is provided for informational purposes only and for the identification of applicant desires. Assignment to a position will be accomplished IAW the Army Acquisition Corps slating guidance. In no way will submission of this list be construed to mean a guarantee of assignment to any particular position or the availability of any position. **These are desires only.**

HOW TO APPLY: DOD Employees (All non-Army employees)

Because the application process for these positions requires access to an internal Army system, it is necessary for non-Army applicants to provide some information early in the application process so that the Army DACM Office Acquisition Career Manager (ACM) can provide assistance in preparing for the submission of the application. Please create a [CAMP/CAPPMIS Help Request Ticket](#), select "Boards" in the subject area. In the body indicate you are a DOD Civilian and wish to apply to the CSL and upload a copy of your most current SF-50. The SF-50 validates your eligibility and is required to build a profile and account in CAMP/CAPPMIS, which will allow you to access the Army Acquisition Professional Development System (AAPDS) to complete the application process.

To ensure adequate time to build an account and allow for completion of the CSL application package, the applicant should supply the information NLT two weeks prior to the announcement closing date.
