TUITION ASSISTANCE PROGRAMS

Acquisition Tuition Assistance Program (ATAP)

Description: The ATAP provides tuition assistance, including laboratory and technology fees (not to exceed established funding limits) to eligible Army Acquisition Workforce (AAW) members who are pursuing business hours towards bachelors' or masters' degrees. 1100 Contracting series positions and similar military positions can also pursue bachelors' degrees in their current Contracting Functional Area without having met their certification level required for their current 1100 Contracting series position.

Eligibility: Eligible AAW members include the following: 1. Permanent AAW civilians who meet their certification level required in their current functional areas 2. Contracting series positions and similar military positions who have not met their certification level required for their current Contracting series position.

Timing:

FY23 Announcement

Announcement Opening: June 6, 2022

Announcement Closing: July 16, 2022

Program Start Date: Oct. 1, 2022

Naval Postgraduate School Master of Science in Systems and Program Management or Systems Engineering

Description: NPS-MSSPM is an interdisciplinary program combining systems engineering with program management knowledge and skills. Intended to broaden the technical capabilities of acquisition workforce members with non-technical backgrounds so that they can successfully manage and lead programs or projects in support of the defense acquisition system. Students learn the systems engineering process from establishing system requirements through test and evaluation; how to manage, schedule and budget programs and work with Department of Defense suppliers through contracts to meet program obligations.

Description: NPS-MSSE is designed to solve a wide range of systems engineering and integration challenges by providing the technological tools relevant to better meet the needs of the customer.

Eligibility: Civilian Acquisition Workforce (both programs) GS-11 – GS-15 or equivalent

Website: <https://asc.army.mil/web/career-development/programs/naval-postgraduate-school-master-of-science-in-program-management/>

Timing:

Announcement Opening: May 9, 2022

Announcement Closing: June 24, 2022

Program Start Date: Sept. 26, 2022

SRPE Required

FY23 Student Loan Repayment Program (SLRP)

Description: The SLRP is a retention incentive for civilian Army Acquisition Workforce (AAW) members with critical acquisition skills serving in a permanent or term appointment with at least 3 years remaining on the term appointment. The program is designed to repay federally insured student loans of the civilian AAW members and their children (if the AAW member is a co-signer on the federal insured student loan), in exchange to remain within the Department of the Army, Acquisition position for 3 years upon selection.

Eligibility: Civilian Acquisition Workforce (Any GS Level or equivalent), permanent and term eligible with at least 3 years remaining on the term appointment from the time of application submission.

Website: <https://asc.army.mil/web/career-development/programs/student-loan-repayment-program/>

Timing:

Announcement Opening: Oct. 2022

Announcement Closing: Nov. 2022

Applicant Selection Notifications: December 2022

LEADER DEVELOPMENT PROGRAMS

Acquisition Leadership Challenge Program (ALCP)

Description: ALCP is a leadership development seminar, offered at four different levels, is designed to establish a foundation of self-awareness and to assist in overall leadership and diversity development within organizations.

Eligibility: Civilian/Military Acquisition Workforce
