SUBJECT: Call for Nominations for the 2023 Army Acquisition Hall of Fame Awards

1. The nomination period for the 2023 Army Acquisition Hall of Fame Award opens May 10, 2023, and will close on June 20, 2023. This award recognizes and honors former members of the Army Acquisition Workforce (AAW) who have made significant and enduring contributions in support of the Army acquisition community. The program's intent is to preserve the legacy of the acquisition community and inspire a sense of heritage, honor, and pride throughout the workforce. I encourage organizations to consider the amazing work that our acquisition personnel accomplished throughout a career of service and submit nominations to recognize those professionals.
2. The Call for Nominations is open to all former AAW personnel, both military and civilian, who are now separated or retired after a minimum of 20 years of federal service; and posthumously to AAW personnel who served a minimum of 20 years of federal service during their lifetime. Nominees must be retired or separated from federal service at least one year before consideration.
3. Nominees will be evaluated on their significant and enduring contributions to the Army acquisition community's historic and ongoing missions. This would include a specific or continuous accomplishment that positively affected the Army acquisition community. Nominations will be considered based on demonstrated excellence and contribution to acquisition mission success.
4. Detailed eligibility criteria and nomination requirements for the Army Acquisition Hall of Fame Award are posted on the U.S. Army Acquisition Support Center website: <https://asc.army.mil/web/hall-of-fame/>
5. Completed nomination packets must be submitted to the U.S. Army Acquisition Support Center (USAASC) Army Director, Acquisition Career Management (DACM) Office at: <https://asc.army.mil/web/hall-of-fame/>.
