Evaluation Criteria:

Nominees for this award must have made a significant contribution during the eligibility period to be considered for this award. This award recognizes the past performance of a team that has clearly demonstrated exceptional mission accomplishment, selfless service to the United States, extraordinary and uncompromising professionalism, and true commitment to the personal and professional growth of others within the command.

Nominations will be considered based on demonstrated excellence and contribution to acquisition mission success in the following areas:

1. **Specific achievements** during the eligibility period. Given that many achievements result from one's efforts and contributions cumulatively over a period of time, achievements that take place over more than the 12-month window may be reported, but the

culmination of the work must be within the window. Quantifiable descriptions of achievements are particularly desired. What impact did the team's action have on the unit or command?

2. **Value of the Unit or Team's contributions** during the award period to the mission of one's organization in supporting one or more of the ASA(ALT)'s priorities:
 - a. Delivering timely capabilities
 - b. Streamlining acquisition and business processes
 - c. Informing program requirements
 - d. Developing innovative solutions for acquisition problems
3. **Demonstration of leadership**, including, by example, mentoring, and best practices to enhance the success of one's team and the greater acquisition community in achieving acquisition outcome success.
4. **Contracting Team of the Year Award criteria:** recognizes a unit or team who has clearly demonstrated accomplishments in terms of contract execution, contract management, and/or contractor support, as well as improvements in contract quality, compliance, and savings (contract or organizational).

1. The deadline for nomination submissions is September 7, 2023. **Submissions will not be accepted after 11:59 p.m. ET, September 7, 2023.**
