 - d. Digital Transformation
 - e. Sustainable Force

- f. Productive Collaboration
- 3. **Demonstration of leadership** including, by example, mentoring and sharing best practices to enhance the success of one's team and the greater acquisition community in achieving acquisition outcome success.
- 4. **Test and Evaluation Professional management specific criteria:**
 - a. The Test and Evaluation Professional of the Year candidate(s) should represent the best of the Test and Evaluation acquisition community members who have contributed to the advancement of Test and Evaluation initiatives.
