COURSES OFFERED

<p>Army Contract Writing Lab (ACWL)</p>	<p>This course is designed to provide hands-on refresher training on PD2 procedures and tasks.</p>
<p>COR Basics (COR-E) (Contracting Officer Representative - Equivalency)</p>	<p>This is a DAU equivalent course and includes content similar to CON 222. Learn the skills and knowledge necessary to represent a Contracting Officer on Federal contracts. The training you need to be appointed to a COR position.</p>
<p>US Constitution and the Federal Acquisition Workforce (USCon)</p>	<p>Take a walk through the United States Constitution and learn the history of relevance of this incredible founding document. Find out where the laws come from that control Federal Acquisition contracting.</p>

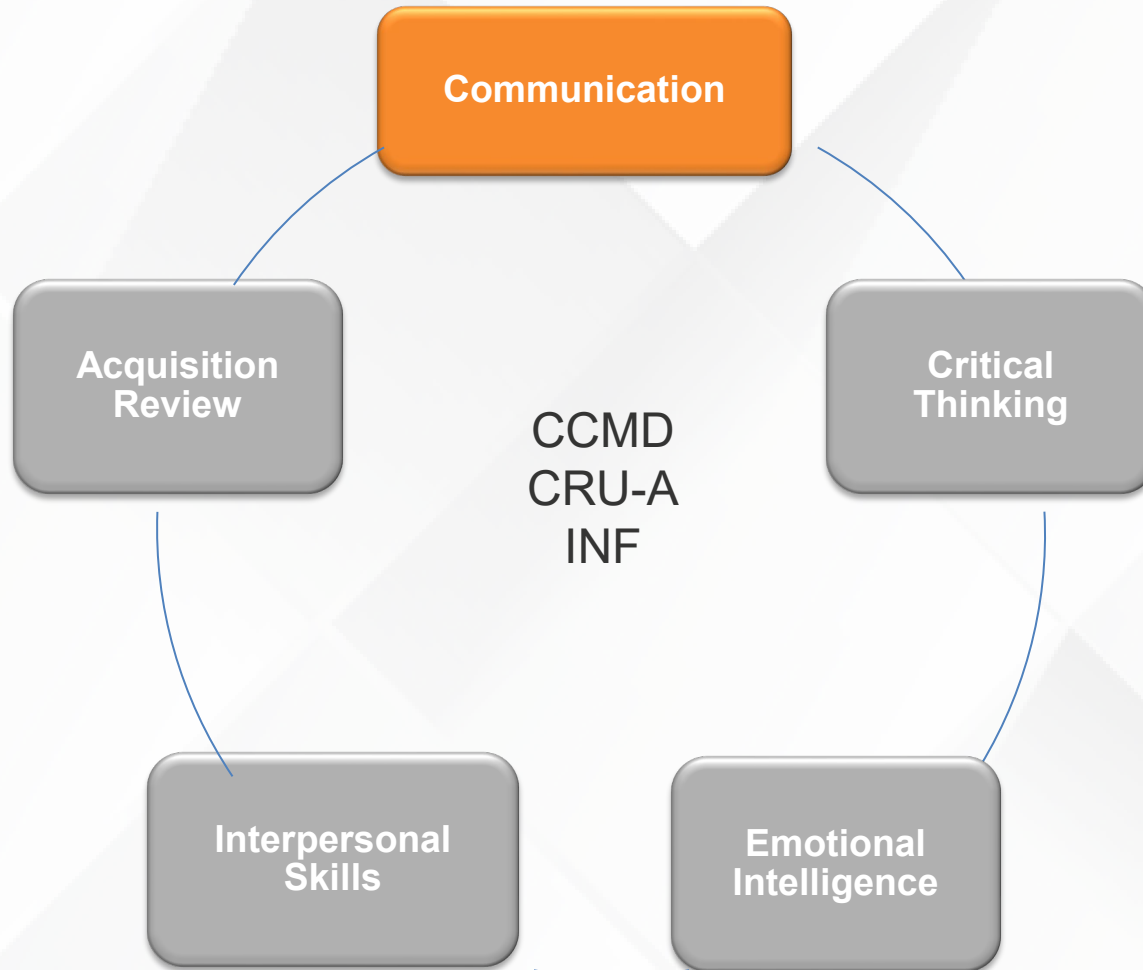

<p>Crucial Conversations for Mastering Dialogue (CCMD)</p>	<p>Crucial Conversations for Mastering Dialogue is a course that teaches skills for creating alignment and agreement by fostering open dialogue around high-stakes, emotional or risky topics.</p>
<p>Influencer (INF)</p>	<p>Whether you manage a small team or lead a large organization, Influencer training provides the skills you need to change behavior – your own and that of others. The course is also effective for those without formal authority, as well as emerging leaders.</p>
<p>Getting Things Done (GTD)</p>	<p>Always busy, but rarely productive? If you or others in your organization are falling victim to work overload, modern-workplace chaos, and the overwhelming anxiety that comes from too much (and not enough time), this training is right for you.</p>
<p>Crucial Conversations for Accountability (CRU-A)</p>	<p>Crucial Conversations for Accountability is a course that teaches a straightforward, step-by-step process for identifying and resolving performance gaps, strengthening accountability, eliminating inconsistency and reducing resentment.</p>
<p>Power of Habit (PoH)</p>	<p>The Power of Habit course teaches how habits work and how to develop effective habits using skill instead of willpower. The course teaches a skill set for mastering any habit. You might call this skillset the habit of all habits. The one to rule them all.</p>
