How to Apply

The Army DACM Office ALCP Program Manager (PM) will coordinate directly with Organization Acquisition POCs (OAPs) to fill quotas.

The Lead OAP for each command/organization must nominate all participants. Interested workforce members must contact their OAP to request nomination. Quotas are allocated to commands/organizations based on command/organization size. Organization allocations for each offering are shown in the attached nomination Excel workbook.

Once eligibility is confirmed by the DACM Office, candidates will be registered for the course. Once registered, fund cite letters and special instructions for preparing travel orders and voucher settlements will be provided to each student via email from the ALCP PM. Pre-course assessments will be provided by the course vendor. Nominated students are expected to lock in their plans to attend and perform their pre-course work on time. If selected individuals have registration questions, they may contact Ms. Kelly Quigley, ALCP PM, at 520-671-0182. Any cancellations within 20 days of the course start date will result in the student/command being required to reimburse the Army DACM Office for course materials and tuition costs. All cancellations must be endorsed by the first General Officer (GO) or Senior Service Executive (SES) workforce member within the student's chain of command and approved by the ALCP PM. Please see below for more details on all ALCP course withdrawals/ substitutions/ changes.

Note: Any unused command/organization quotas will be released to eligible waitlisted nominees on 8 August 2025.

Course Withdrawals and No-Shows

If the withdrawal occurs at least 21 days prior to the course start date, the student will inform the OAP and the OAP will communicate the change to the ALCP PM. The Army DACM Office ALCP PM will then activate someone from the alternate list. No GO or SES approval memorandum is required if the request is made more than 20 days prior to the class start date.

All student withdrawals that are past the required withdrawal deadline, as identified in Table 1, must be reviewed and endorsed in writing by the student's first General Officer or Senior Executive Service (SES) in their chain of command. The student must then forward the signed memorandum to their OAP. The OAP is responsible to inform the DACM Office ALCP PM of the withdrawal and provide a copy of the signed memorandum. The ALCP PM will forward the memorandum to the DACM for approval/disapproval. If the DACM disapproves the withdrawal, the DACM Office will determine the appropriate course of action (penalty or no penalty), based on the timeframe and justification for the withdrawal. For students who are from organizations without OAPs, they must forward the signed memorandum directly to ALCP PM.
